MEMORANDUM FOR THE RECORD

Morning Meeting of 28 August 1968

DD/I drew attention to the case of an individual in New Orleans falsely claiming to represent CIA.

Godfrey briefed on the Czechoslovak situation and noted that Dubcek and company will have their hands full persuading various party organs to accept the Moscow accords.

D/ONE advised that ONE is developing a memorandum on the implications for the future of the events in Czechoslovakia.

D/ONE drew attention to a request for a SNIE from the Assistant Secretary of Defense for Atomic Energy concerning an esoteric aspect of the earlier NIE on the introduction of weapons of mass destruction into the U. S.

DD/S noted that some construction work will begin in the Agency garage at 1700 today.

Carver indicated there is no basic change in the situation in South Vietnam.

25

Bross reported that General Maxwell Taylor's aide has asked for information about our trail-watching program in connection with exfiltration figures. The Director asked that the information prepared for Walt Rostow, who made the same request earlier, be sent to General Taylor.

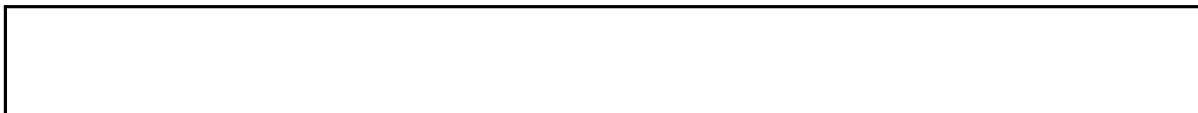

25X1

Bross advised that has commenced his new role in connection with intelligence activities against China.
